## PROFESSIONAL EXPERIENCE

### IT Consultant

EdiVision24 Technologies · 2019 – Present

- Provide IT support, Microsoft 365 setup and web development services for schools and SMEs.
- Maintain ongoing website support and maintenance relationships with independent schools.
- Developing a Digital Readiness Programme concept for township and rural SMMEs across North West and Northern Cape.
- Maintain a Hyper-V home lab to test infrastructure, Azure administration and hybrid identity scenarios.

### ICT Specialist

Kimberley Girls' High School · Nov 2024 – Jan 2026

- Served as the sole on-site ICT technician; scaled Microsoft 365 licensing from 8 to 400 licences and provisioned 37 staff and educator accounts.
- Rolled out Conditional Access policies alongside Microsoft Intune and MFA.
- Implemented an Ubuntu Server file-sharing solution that improved SA-SAMS access and reduced drive-mapping issues.
- Grew monthly support ticket volume from 7 to 100+ and completed a hardware write-off audit covering 52 units.

### IT Support Technician & Innovation Specialist

St Patrick's CBC · Jan 2020 – Sept 2024

- Managed 100+ iPads and Apple TVs across five campuses using JAMF Pro and Apple Configurator.
- Supported FortiGate firewalls, Aruba wireless access points and switching, and CCTV systems across multiple campus buildings.
- Completed a full high-school computer-lab SSD upgrade in 2023 alongside the IT Manager.
- Founded the school's Coding and Robotics programme covering drone programming, Micro:bit, LEGO EV3 and Minecraft Education.

### ICT Support Volunteer

IIE Rosebank College, Pretoria CBD · Feb 2016 – Feb 2017

- Assisted the college IT department, gaining first hands-on IT experience.

## EDUCATION

|                                                                                       |                                      |
|---------------------------------------------------------------------------------------|--------------------------------------|
| <b>Certificate of Achievement - Software Development, Power Learn Project Academy</b> | Nairobi, Kenya (2022 - 2023)         |
| <b>Higher Certificate in IT Support Services</b>                                      | IIE Rosebank College Pretoria · 2015 |
| <b>National Senior Certificate</b>                                                    | Kimberley Boys' High School · 2014   |
